

## Covers for all fire extinguishers

Protection covers for portable and movable fire extinguishers. Designed for i.e. shipping and offshore environments.

### Features of protection covers for wheeled fire extinguisher covers

- all seams double stitched
- heavy hook and loop fastener closings with loops for quick removal in case of a emergency
- cover made heavier by a galvanized chain which is fully enclosed in the bottom seam to prevent the cover been blown off by strong winds
- depending on the extinguish agent an appropriate stripping is marking the cover
